PROFILE

A results-driven and adaptable professional, I actively seek opportunities to advance my skills and knowledge, steering my career towards clear objectives. I am deeply motivated to collaborate with forward-thinking organizations that foster innovative concepts and allow for the expression of passion.

EXPERIENCE

Class Teacher
T & S God's Time Nursery and Primary School – 2020 to 2023

- Spearheaded the design and execution of effective learning processes for student development.
- Conducted comprehensive evaluations of teaching staff, contributing to their growth and performance.
- Formulated and enforced school policies, ensuring a conducive learning environment.
- Facilitated access to vital educational resources for teachers, promoting effective pedagogy.
- Orchestrated the school's recruitment procedures.
- Structured agendas and organized meetings with parents to ensure active involvement in their child's education.
- Maintained meticulous records of daily transactions.

Line Supervisor
Dahua Paper Company - 2019 to 2020
My primary focus was to establish efficient workflows, upholding top-tier quality benchmarks, and cultivating a unified and industrious work atmosphere. My goal was to enhance efficiency, boost output, and maintain exceptional standards, thereby playing a pivotal role in the company's overall success. Notably, I contributed to a team effort that elevated productivity from 20 to 25% within a six-month timeframe.

Cable Technician
God’s Time Electronics Limited - 2012 to 2019
My role involved the installation of cable television systems in the residences and commercial spaces of the company's clientele. This encompassed the setup and configuration of essential equipment to ensure the delivery of cable television services
