Dear Barbara,

OFFER OF FELLOWS MEMBERSHIP

The above subject refers;

As part of activities marking the 2023 customer service week themed: 'Team Service', the governing board of WAACSP is delighted to award you (as one of the recipient for 2023) its highest membership category; **FELLOW of WAACSP.**

The board and the 2023 CSW activities team in coming to this award and recognition took into account your customer service track record, commitment, passion and also recommendations by colleagues, contemporaries and students who have gone through you at WAACSP and will be delighted to welcome you onboard.

The Fellows membership is the body's highest membership category occasioned primarily as recognition to the recipient for service delivery track record, longevity, and dedication to service.

The association sees its fellows as leaders in the industry and are admitted to help accentuate the advocacy for excellent service culture, continuous improvement in customer experience, guiding and mentoring young and upcoming customer service practitioners within our network.

See your admittance as a call to greater service as we look to your experience and leadership to help grow the association within the region.

Kindly do let us in on your acceptance or otherwise of this offer.

Thanks

Yvonne Ohui MacCarthy
- Board Chairperson
